Dear Parent/Carer

Reminder – Information for Parents/Carers about Severe Weather Arrangements

Winter weather is forecast for the next few days and whilst we are committed to keeping the Campus and Kinross High School open, it may become necessary to make adjustments to the school day, reduce campus opening hours or, in severe cases, fully close the facility.

Information about school closures before the school day begins will be published via the following channels:

Perth and Kinross Council Website – www.pkc.gov.uk/schoolclosures
Perth and Kinross Council Customer Services Helpline – 01738 475000
Radio Tay – FM 102.8/AM 1161 (FM96.4/AM 1584 – Perth area only)

Should deteriorating weather conditions occur during the school day (and no improvement is forecast) group call messages will be sent for those students who are affected by a partial or full closure. In these circumstances, pupils will be encouraged to remain on campus until they have agreed safe alternative arrangements with their parents/carers.

If the school was to close, I would always expect pupils to have some work they can do on their own, such as reviewing class work and homework. The [BBC bitesize](http://www.bbc.com/bitesize) website is also a useful source of study materials, particularly for pupils studying for exams.

Yours faithfully

Sarah Brown
Campus Leader
